

## **Marion County Care Facility**

Marion County Care Facility a Residential Care Facility (RCF) managed by Community Care, Inc. (CCI) is located in rural Knoxville IA. It sits just a few miles out of Knoxville in a county setting. CCI offers Vocational Services, Home and Community Based Services (SCL) and Habilitation Services. The care facility has 46 licensed beds.

The Residential Care Facility (RCF) is a community-integrated program offering a full array of services, both in-house and through local community resources, to adults with disabilities requiring licensed residential treatment services. RCF employs a well-trained staff and a homelike environment to provide each individual with support, supervision, training, and advancement to a more normalized and less restrictive community living arrangement

Services provided, based on specific individual needs, include living skills training, social skills training, recreational skills training and vocational experiences. Individuals and family members serve as a part of the Individual Program Plan (IPP) team and are encouraged to participate in all aspects of IPP development and implementation.

CCI provides 24 hour supervision and medication assistance to individuals. Activity staff and Direct Support Professionals assist residents with independent living skills and a variety of enjoyable activities to fit individual needs. The staff strives to make a comfortable and pleasing environment to meet individual needs.
