

Speakers Bureau

Need a speaker for your organization, club or perhaps your classroom? The Community Care Inc. (CCI) speakers are professionals with a background in human services, social work, nursing, education, administration and/or other healthcare fields. This community service is part of CCI's ongoing commitment to educating the public on health issues, wellness activities, healthy lifestyles, CCI programs and services, and the changes occurring in today's health care environment.

Topics Include

Children and Depression
Client Advocacy/Patient Rights
History of Community Care, Inc.
Leadership, Team Building, Motivation
Attention Deficit Disorders
Autism Spectrum Disorder
Keeping Your Job
Introduction to Anger Management
Home Health Care
Mental Illness—Mental Retardation
Temperaments & Counseling

Other topics may be available upon request

How to Schedule a Speaker
